RE: EPA Information Request
Former CertainTeed Corporation Facility
600 St. Cyr Road, St. Louis, Missouri

Dear Mr. Hoefler:

Attached hereto are CertainTeed Corporation's responses to the Information Request forwarded to CertainTeed under cover of a letter from Robert L. Morby, Chief, Superfund Branch, dated April 20, 1993, which was received by CertainTeed at its corporate offices in Valley Forge, Pennsylvania, on April 28, 1993.

You will note that there are seven exhibits appended to our responses. With respect to Exhibit #3, I hasten to note that we would appreciate very much if your office will return said Exhibit to us following your review thereof (of course, you may wish to copy it for your file). This is our only original of this document, and while we wanted you to have the benefit of seeing the original rather than a copy, we would like the original returned for our file.

Needless to say, please feel free to contact me should you have any questions whatsoever pertaining to our responses to the Information Request.

Very truly yours,

Curtis M. Pontz
